

# Just Right For Renovation

Porcelain ceramic tile delivers a clean, fresh look and a pleasing shopping experience. Neutral tones nicely complement store fronts, wall finishes, borders and carpeted seating areas.

Honed, polished and thermal finished ceramic stands up especially well to fast-paced foot traffic. That's why floors in the newly-renovated Ridgedale Center are clad almost entirely with porcelain ceramic tile. It's durable, easy-to-clean and blends well with any décor.
